Sub:- SUBSIDY - Contribution under Sec.37 of the Ele. Edn. Act on the Education tax realised in 1953-54 Cannanore Municipality - Sanctioned.

Ref:- My letter A1-5507/54 dated 30-6-54.

I solicit the kind attention of the Government to my letter cited above requesting to sanction the subsidy of Rs. 19123-2-9 under Sec.37 of the Elementary Education Act and request that early sanction may be accorded for payment of the amount. This Council is experiencing much difficulty to make payment to the staff and also to meet unavoidable and urgent items of expenditure for want of funds. To over come this difficulty the council has applied to this Government for an advance of Rs. 50,000/- but the Government in their memorandum No.37010-L/3-54(L.A.) dated 25-6-54 declined to sanction the advance applied for. The only way open to the Council to tide over the present difficulties to get the subsidy of Rs. 19,123-2-9 under Sec. 37 of the Elementary Education Act. By this amount most of the pressing needs will be able to be met. If there will be any delay to sanction the amount applied for in due to some official formalities, I submit that an advance contribution of Rs. 15,000/- may be sanctioned forth with and balance may be paid later after obtaining the recommendation of the Concerned authorities. This will be great relief for the smooth running of the administration and I request early orders in this matter. Similar advances were sanctioned by Govt. in G.O.Nos.RT.309 Edn.dated 17-7-51 and G.O.RT.No.524 Edn. dated19th Aug. 1953.

COMMISSIONER. 31-7-54

Copy to the Examiner of L.F.Account, Madras with the request that the Examiner may be pleased to recommend the Government for an advance contribution Rs. 15,000/-

Dear Sir,

SUBSIDY - Contribution under section 37 of the Elementary Education Act on the Education Tax realised in 1953-54 - Cannanore Municipality - Sanction.

i) This office letter A.1.5507/54 dated 30-6-54 and 30-7-54.

In soliciting your kind attention to this office letters cited, I request that you may be pleased to see that an advance contribution of Rs.15,000/- is got sanctioned to this Municipality urgently. I am making this special request because of the fact that there i no sufficient funds at the disposal of the Council to pay the staff, their salary for July '54.

I once again request that this may be given special consideration. In similar circumstances Government had sanctioned the advance grants in previous years to tide over the difficulty. I request that the amount may be sanctioned without any reduction and orders communicated by wire.

Yours Sincerely,

11-8-54
